WHY CHOOSE THE MHC?

With a rugged frame, stainless steel top wrap, and 13" flat-free tires, the MHC is both durable and portable, and easy to maneuver over flat surfaces and around corridors and hallways. The control panel is strategically located, allowing you to easily adjust the thermostat and hour meter depending on your needs. A technologically advanced engine-and-regulator combination eliminates the need for a battery or electrical connection, making it a convenient and versatile on-site choice for keeping your restaurant, resort, spa, or hotel clean and inviting!

* Should not be used as a lifting rack on the MHC / **For use on model MHC3-24324 only.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.

DETERGENT FOR EVERY JOB

Landa innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.
