

HS & NG

*Hot Water Generators that
Attach to a Cold Water Pressure Washer*

- Up to 3000 PSI
- Increases incoming water temperature by up to 150°F
- Schedule 80 Heating Coil

■ **High-efficiency Burner** with millivolt ignition and standing pilot; also Honeywell gas valve.

NG SERIES ONLY

■ **Rugged 12-gauge steel Chassis** protected by weather-resistant epoxy powder coat paint.

■ **High-efficiency SureFire Burner** is easy to access and is protected by coil wrap hood.
HS SERIES ONLY

■ **Triple Safety Protection**, including a rupture disk, high-limit thermostat, and flow switch to prevent the buildup of excessive pressures or heat.

■ **Extra-durable Heating Coil** made of leak-free, cold-rolled, Schedule 80 steel pipe with five-year warranty.

■ **9 feet of wire-braid Hose** with coupler for connecting to a cold water pressure washer.

■ **Helpful Tri-Lingual Labels** with operating instructions in English, Spanish and French for owner and operator protection.

■ **Two-ply, tubed Pneumatic Tires** make for easy maneuvering in any terrain.
HS SERIES ONLY

■ **36 feet of high-grade Electrical Cord** with **Ground Fault Circuit Interrupter** for operator safety.
HS SERIES ONLY

WHY CHOOSE THE HS & NG HOT WATER GENERATORS

When you want to boost the cleaning power of your cold water pressure washer without upgrading to a new machine, consider an alternative: one of Landa Kärcher Group's hot water generators. Simply attach either the natural gas heated NG or the electric-powered, diesel or oil heated HS to your cold water pressure washer, and transform your machine into a powerful hot water washer. The stationary NG includes an option for LP gas and features an electronic ignition, while the HS comes standard with 10" wheels for portability. Landa Kärcher Group emphasizes safety as well as quality, and both machines are outfitted with a trio of safety features (a rupture disk, high-limit thermostat, and flow switch) to prevent heat and pressure from building up excessively, providing you with the assurance that your equipment is both efficient and safe!

Model #	Part #	Fuel	GPM	PSI	Volts	Phase	Amps	BTUs	Ship Wt (lbs)
HS-3000	1.103-900.0	Diesel/Oil	up to 6	3000	120	1	5	420,000	425
NG-3000	1.103-901.0	Natural Gas	Up to 6	3000	—	—	—	420,000	450
NG-3000LM	1.103-902.0	Natural Gas	Up to 10.6	3000	—	—	—	800,000	900

HS Series Dimensions: 48"L x 30"W x 35"H NG Series Dimensions: 34"L x 45"W x 60"H

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.
